Acting Chief, Liaison Division  
Office of Legislative Liaison

SUBJECT:

DCI Speech on 2 or 3 November 1983

On 2 or 3 November the DCI will give a speech at 385 Russell Senate Office Building on the establishment of an Historical Intelligence Museum. Please do a draft of this speech for the DCI by close of business on Friday so that he can study it over the weekend. The speech should contain interesting points of reference such as the experience of other western countries that have such museums, and other interesting and novel aspects of intelligence that would be particularly pertinent to the American experience.
